

Custom Artisanal Finishes

Finishes

We have a finish for every style, if you don't see what you're looking for, we also create custom finishes. All brass and iron hardware stocked unfinished and can be ordered unfinished. Finishes are done per order.

Iron finishes

Clear coated patina finishes on iron.

Brass Finishes

Clear coated patina finishes on brass.

Powder Coated Finishes

Clear powder coated patina finishes for additional durability. We can also powder coat in any color you wish.

Living Finishes

Patina finishes on brass & iron with a wax coating. As the name implies these finishes continue to change over time to bring out the timeless beauty of these metals.

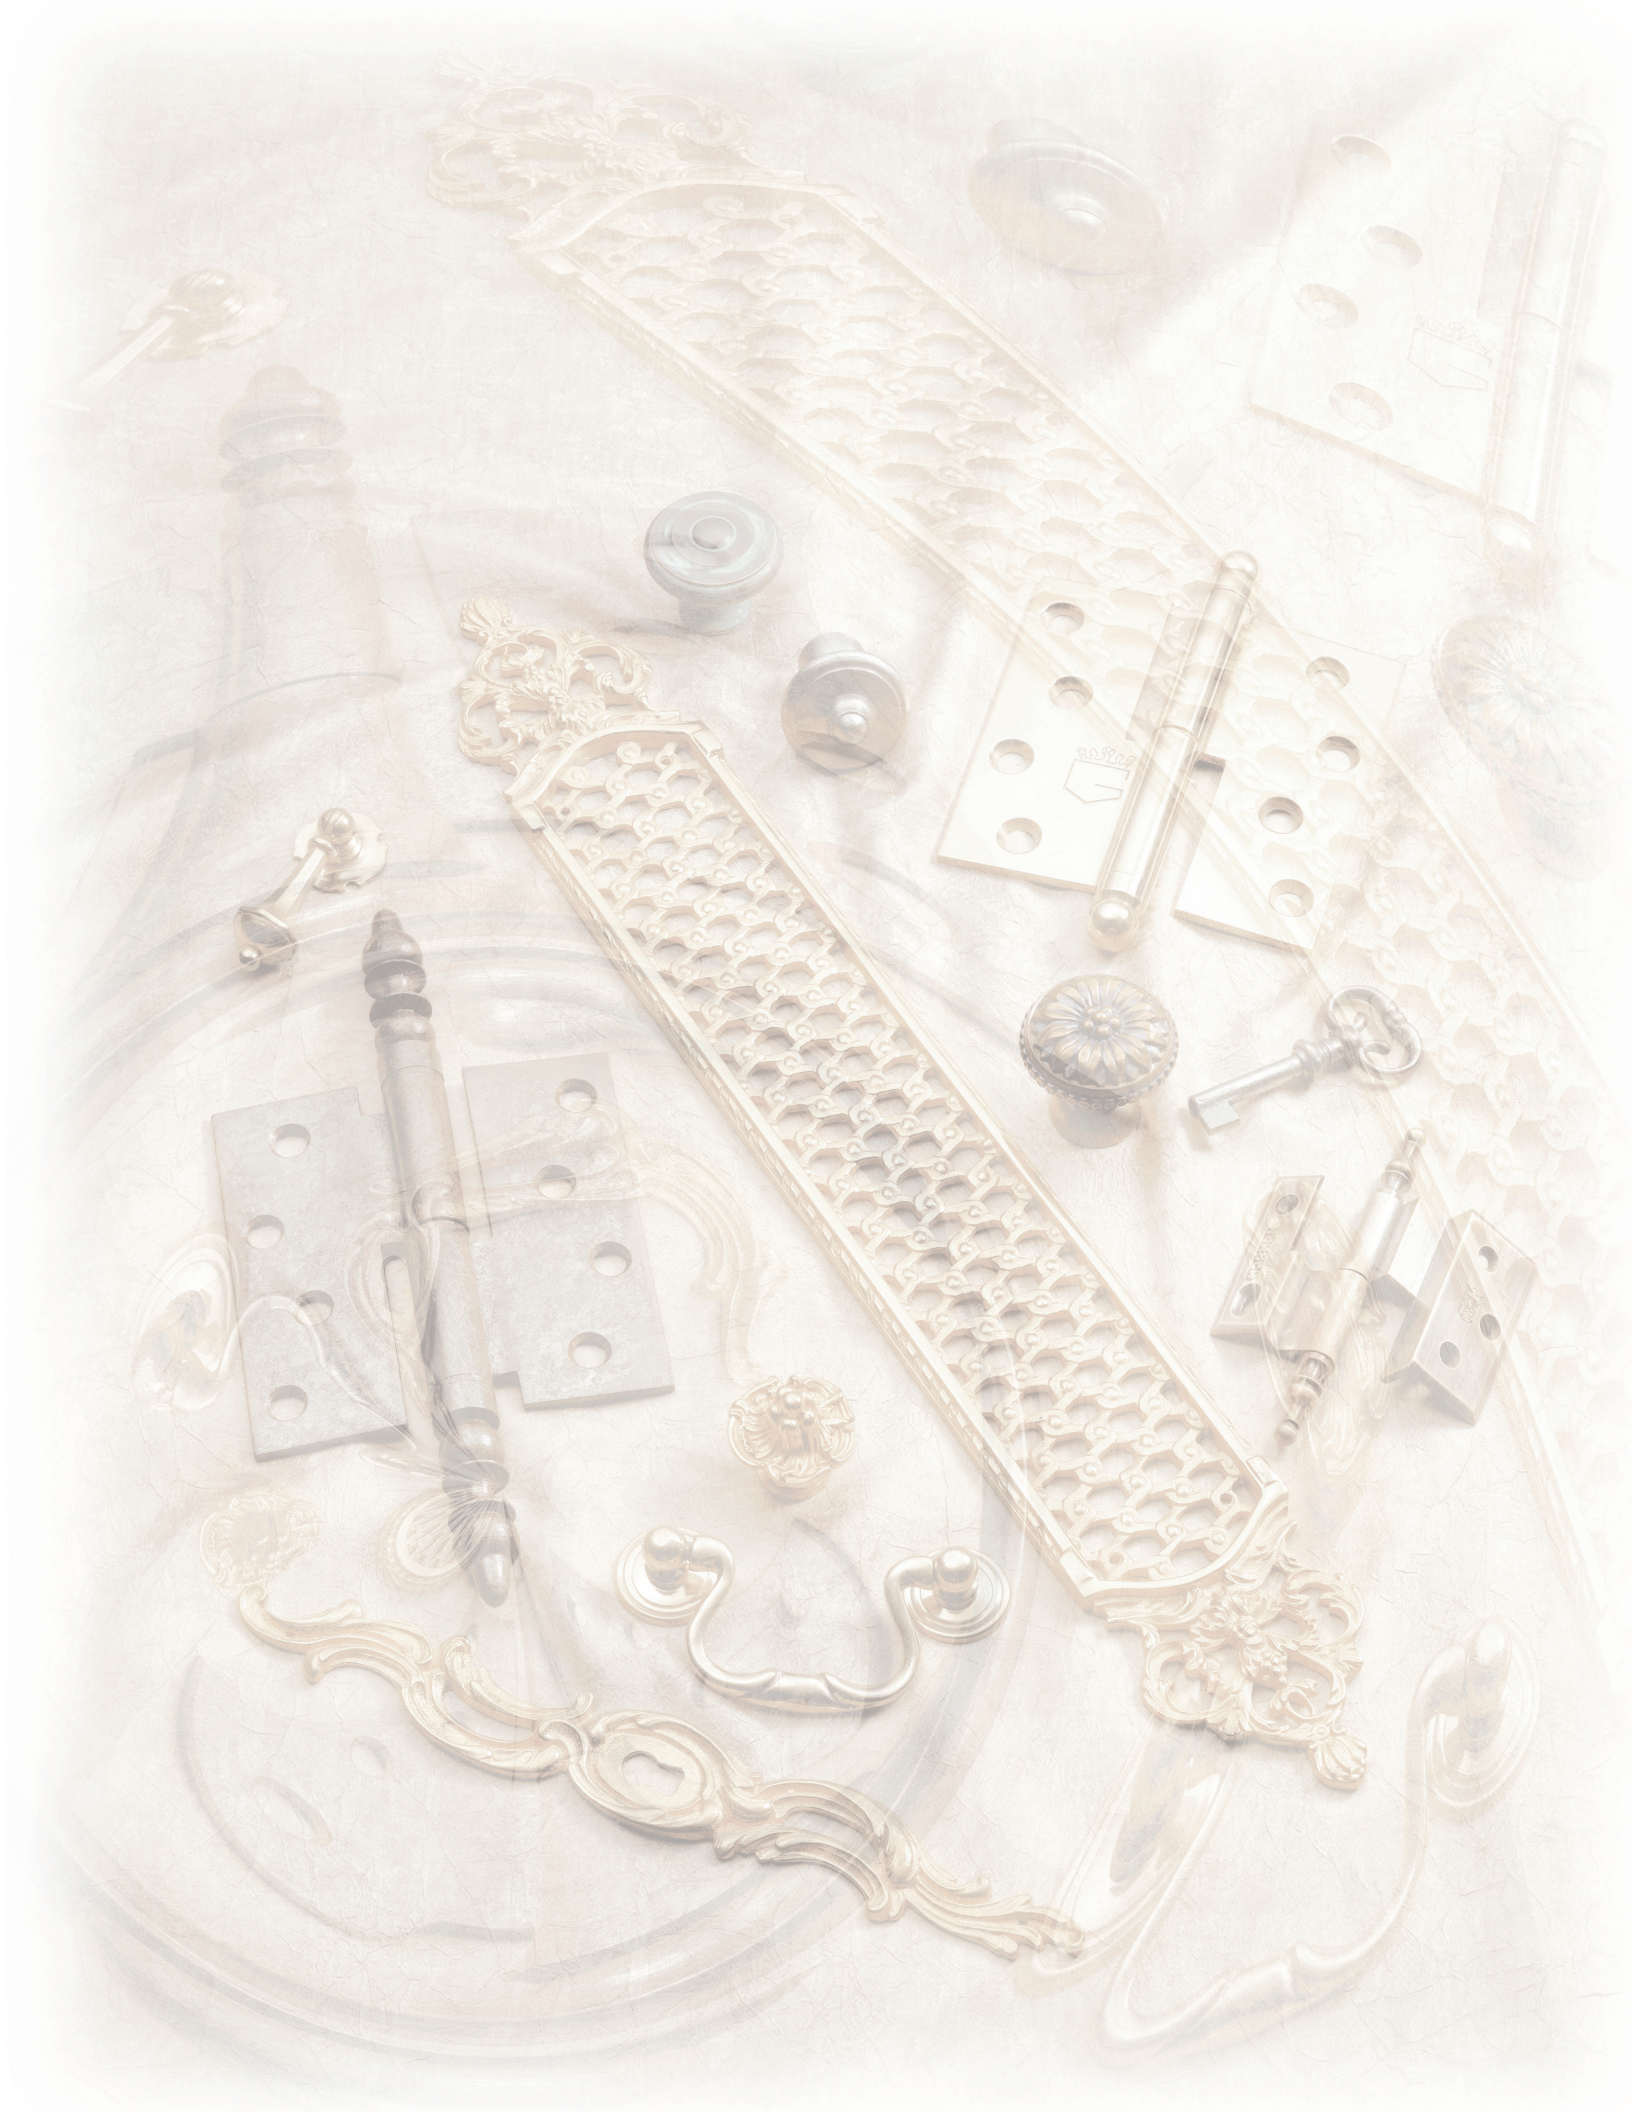

Plated Finishes

Our brass and iron hardware can be plated in various metals.

Blacksmith Finishes

Available on flat knob 06.2001 series and all flat rosettes and escutcheons in both iron and brass.

*Many of our iron products are actually made from various steel alloys, but for the purpose of keeping things simple we refer to all steel products as iron.
