

Metal Refinishing

You know us for our beautiful lines of European hardware and our large range of unique artisan finishes, however you may not know we also refinish other items such as tables, lamps, grills, registers and entire homes worth of hardware. We've put together the following pages to show examples of our work. For more examples of what we do please follow us on Instagram.

Services:

- Metal polishing
- Powder coating
- Patina finishes on brass and steel/iron
- We can refinish large grills and metal furniture.
- Nickel, brass, copper, silver and gold plating
- Door lock and trim restoration.

From the staff at E.H.F./Gerber Hinge Company.

This finish is not in our catalog but a customer asked if we could do a distressed bronze finish on solid brass and here is the result.

E S F

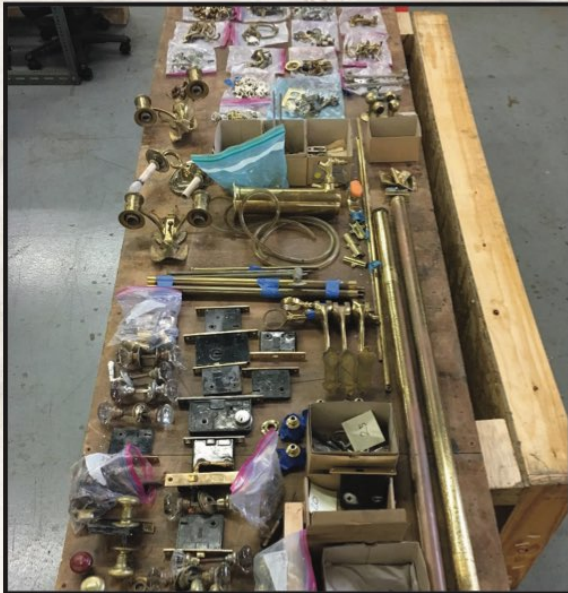

Custom hinge in polished nickel

One of our many restoration projects. We brought back the shine to this very old brass hardware from a house in Santa Barbara that was built in the 1930's.

Before

After

E S F

Solid brass tables. The top table is in a golden bronze finish and bottom is an antique brass.

E S F

From old to new again.

Before

After

E S F

Black lacquer table resurfaced with a textured stainless steel.

Before

After

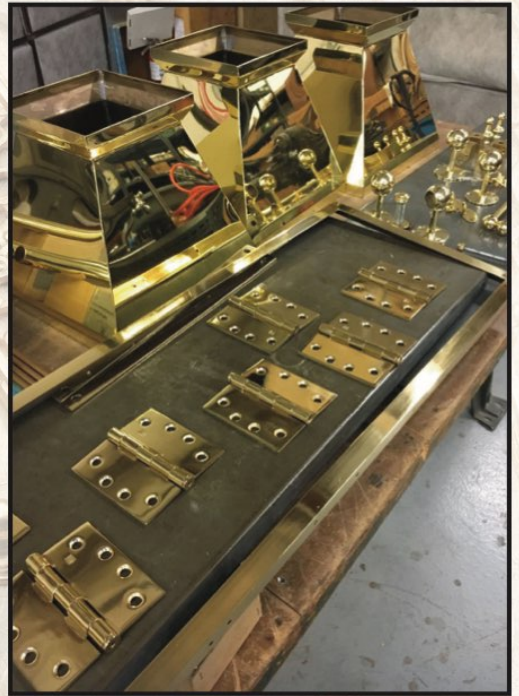

Registers and grills.

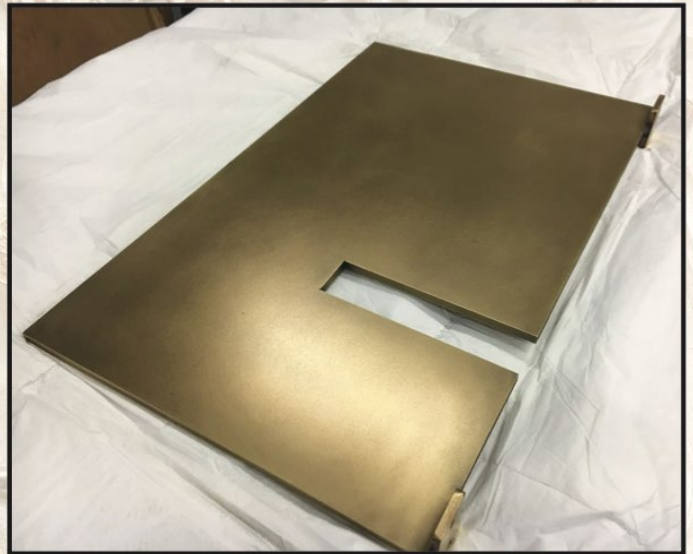

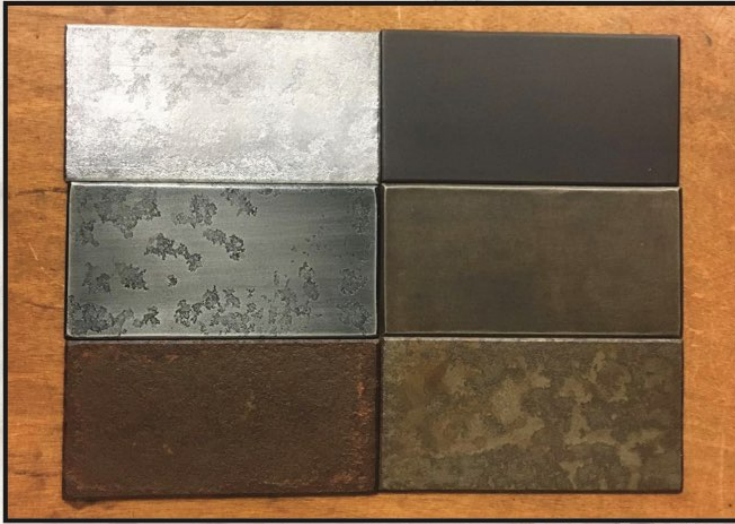

E S F

Brass polishing

E S F

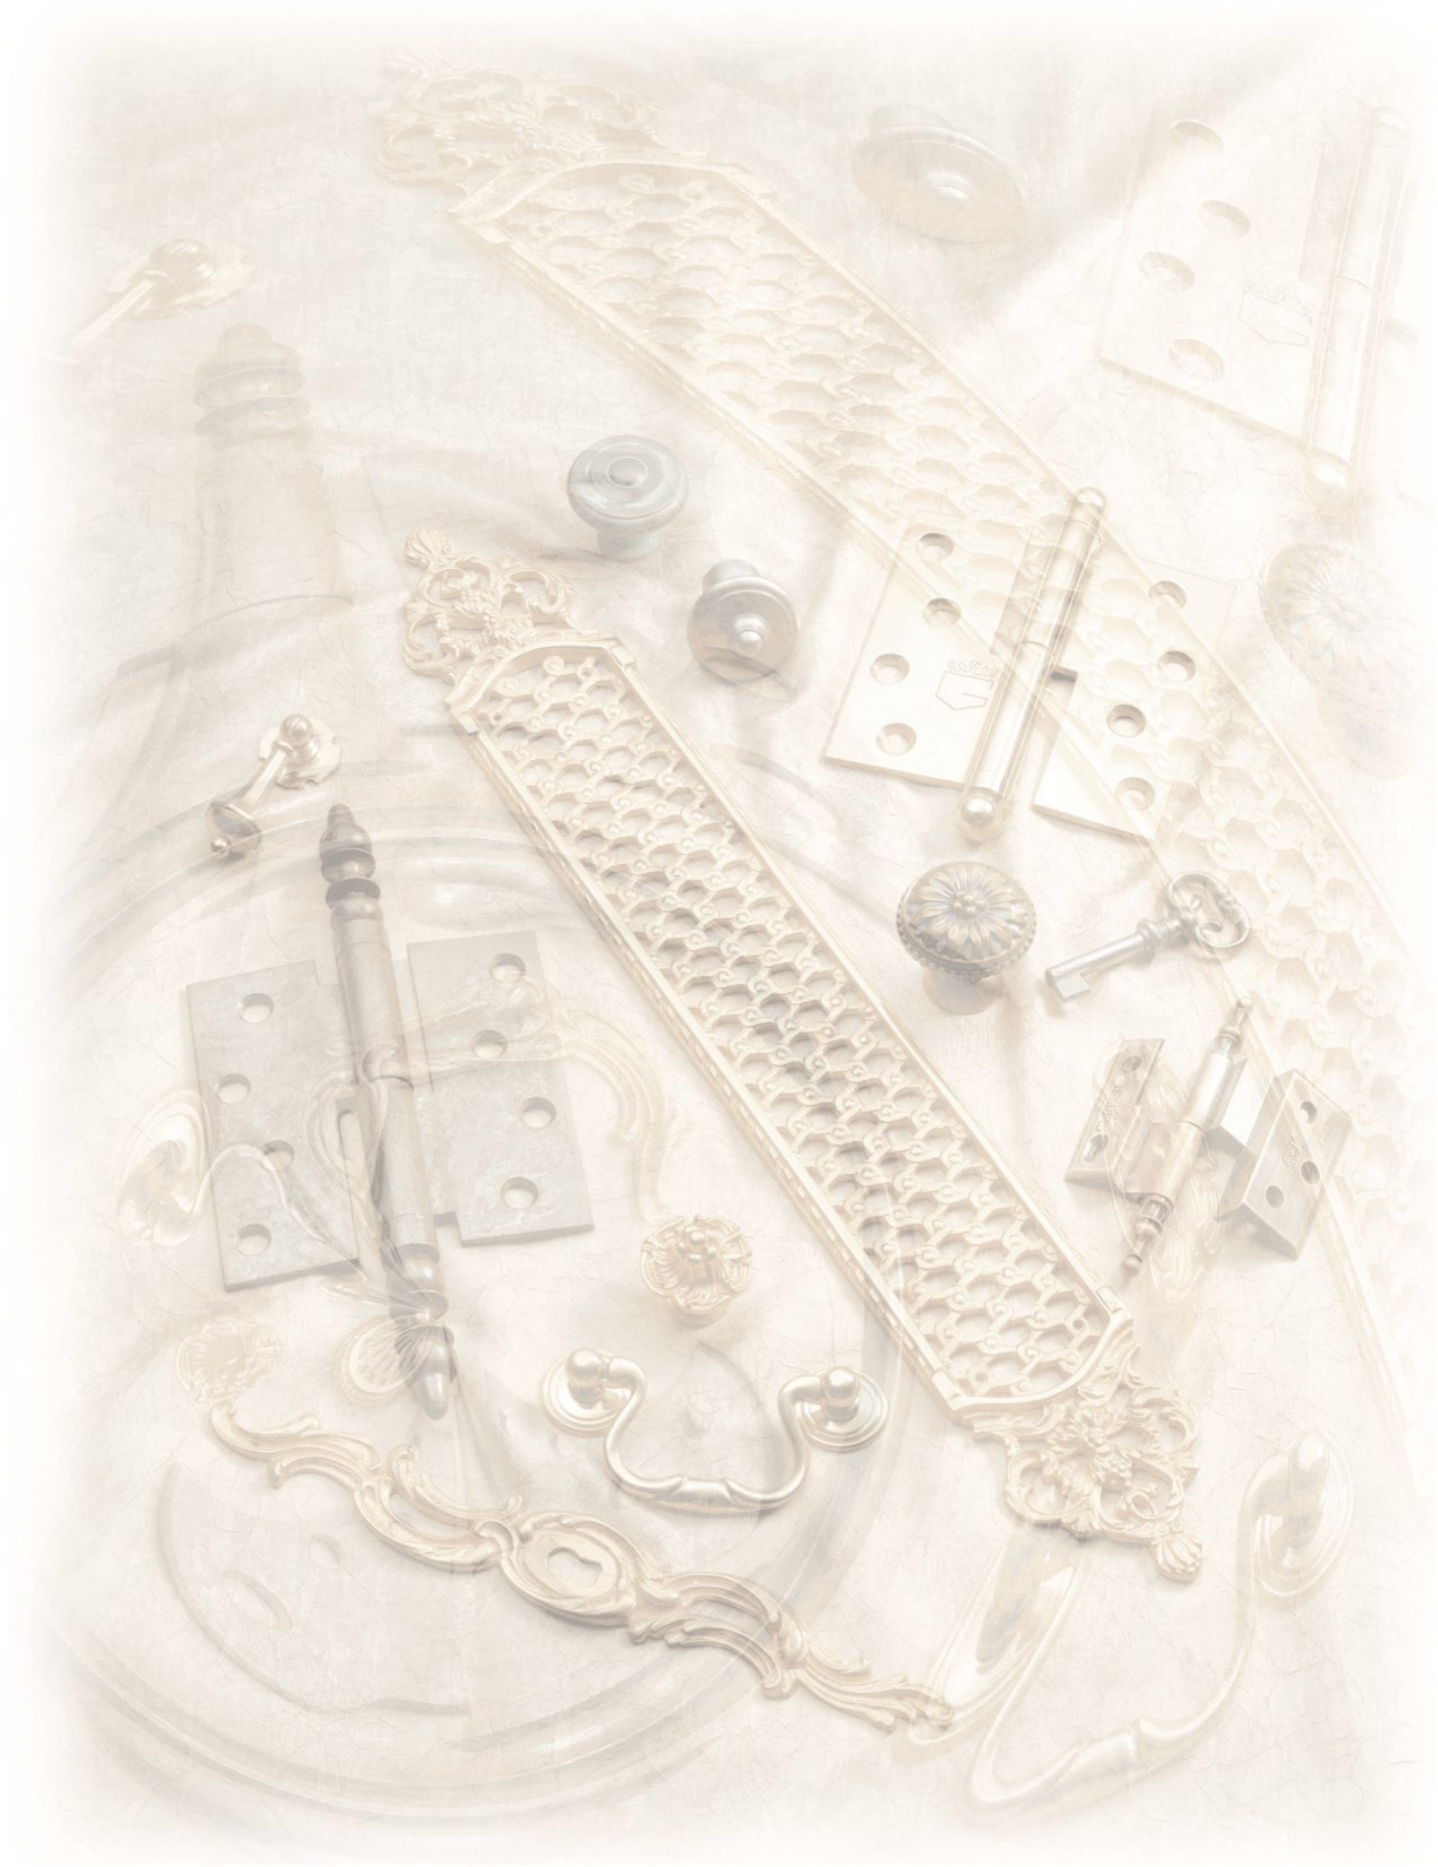

Antique brass plate, Steel handle made to look like aged brass and various distressed patinas we can do on steel.

E S F

Custom polished antiqued brass, special order French trim set
and our Old Iron finish on steel.

The background of the entire page is a collection of various ornate hardware pieces, including hinges, knobs, and keys, arranged in a circular pattern. The items are primarily in shades of brass and silver, with intricate designs and textures. The text is centered over this background.
